VOLUME THREE

Holmes County Junior College  
Goodman, Mississippi

# Foreword

In preparing this, the third volume of the CORNER-STONE, we purposed to make it a permanent record of the most worthwhile and happiest moments in school. To those who have gone before, may it serve to rekindle a spirit of love and devotion; to those to come, an inspiration and ideal.

We have done our best but will not consider our labors in vain if in years to come it will give you pleasure to again turn its pages and recall familiar faces and scenes, and bring to mind tender memories.

*SPIRIT OF PROGRESS*

Because we have truly found in her the spirit of our beloved Alma Mater and because she has given tangible proof of her existence and care by the erection of the new buildings, we humbly and gratefully dedicate this volume of

Administration Building

In the grand ole Sunny Southland  
Where Magnolias scent the air,  
And the breezes whisper memories of the past,  
There 'mid hills and peaceful valleys  
Is a Junior College rare  
And our loyalty and love will ever last.

The School

## Our College

M. C. McDaniel  
President

Agricultural High School development in Mississippi began in 1908 when the State legislature passed acts authorizing such schools. Holmes County was one of the pioneer counties in the movement and through the efforts of leading citizens established their Agricultural High School in 1910. There was no heated controversy as to its location as indicated by bids offered, but today every city, town, and community in the county expresses desires that the school was within its bounds. The town of Goodman was the successful bidder and with railroad and highways so convenient and with the natural scenery that prevails the citizenship of the county agrees that a better location would be very difficult to find.

From the records one may find how the school began with a small enrollment which necessitated only a small amount of equipment and buildings. But these early students still have loyalty and devotion for the school and have played a great part toward promoting its cause. There were times when the way seemed a bit gloomy but there was always present some teachers, students, or citizens who were ready to stand fast and plan right. The trustees have been men who felt the needs, thought them over, and then made plans to meet them.

From the small enrollment and the one building the enrollment this session will in all probability reach the 300 mark. The number of buildings now include the commodious administration building with the attractive auditorium annex, a new dormitory for boys, College girls' dormitory, High School girls' dormitory, Home Economics building, Agricultural building, Gymnasium, and Superintendent's home.

This expansion in the manner of buildings has come as a result of the increased demand of a Junior College. The schools over the county and adjoining counties have developed rapidly and brought urgent need for greater sphere of usefulness in the institution known as Holmes County Agricultural

High School. Responding to the situation, the authorities added the first year of college work to the course of study in the fall of 1925. After three years of experiment, the Superintendent and Board of Trustees upon the advice of the Junior College Commission decided to go forward by adding Sophomore work and put on a building program rather than retrench. The program has been a challenge with plenty of interest. It has included the addition of more territory. Carroll county now co-operates in the maintenance of the school which allows her boys and girls to attend without tuition. There is strong sentiment in Attala county for her to join along with other neighboring counties. The college enrollment during the session 1928-29 was 43, in 1929-30, 67, and, during the present year to date, 146.

Teachers, trustees, supervisors, and the entire citizenship are responsible for the institution, its growth and its welfare, and, with one accord have voiced our slogan:

"Grow with us at Holmes Junior College."

## JUNIORS

The smallest parcels here on earth  
Perchance hold goods of greatest worth;  
In smallest corners, so they say,  
You may find gems of purest ray.  
The number we are small and few,  
But he who takes a nearer view  
Will find, if not the gems most rare,  
At least their colors, bright and fair.

We're each and every one true blue  
Like the sapphire's gorgeous hue,  
Though in new fields we're sometimes seen  
To wear the tint of emerald green;  
Yet if by skillful hands we're led,  
Our courage glows like ruby red  
When various things we're called to do,  
We wear the opal's varied hue.  
Our work e'er shows in royal zest  
The purple of the amethyst;  
Our pure ideals, crystal white,  
Are like unto the diamonds light,  
And we ourselves someday shall wear  
The brightness of the diamond rare.

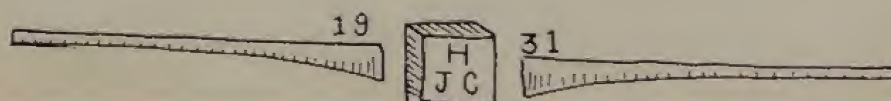

## SOPHOMORES

Now our tenth grade days are ended  
And we've conquered many trials;  
Joy and sorrow both are blended  
Manifest in tears and smiles.  
But our hardest work was starting  
And our task is just begun.

Highest aims and hopes we cherish  
Since we entered H. J. C.  
Our ideal will not perish  
As the years do swiftly flee.  
Even now our hearts beat stronger  
And we are pushing on unafraid,  
Toiling on a little longer  
Till our goal in life is made.

They have called us dull and green  
When they should appreciate  
The most deserving class that's seen  
Rising early, working late.  
Though genius is the lot of few,  
We can all be what we are;  
Doing well the things we do,  
Even though we may not "Star."

To the new tenth grade coming  
We would leave a word for you:  
Do not shirk at any hardship  
Or work there is to do.  
The world owes you not a living  
But you owe it to your life;  
So your best be always giving  
And success will crown the strife.

Boys' Dormitory

When we're old we shan't forget you  
Nor the things you did for us;  
To our Alma Mater dear we'll e'er be true  
Though we roam the wide world over;  
Still our memories return to thee,  
And we'll love you just the same

## A Eulogy

Our proud debating club was born  
 One fair and bright September morn.  
 It pledged its talents to combine,  
 And in forensic fields to shine.  
 The first combat let us remember  
 Occurred the fifteenth of December.  
 The question—"Marriage and Divorce"—  
 Is a treach'rous one, of course:  
 To Sunflower—Tate the crown was lost—  
 (The sponsor keenly felt the "cost.")  
 But deep within heroic minds  
 The word "defeat" no lodging finds:  
 So, with redoubled ardor burned,  
 Our heroes to the "jury" turned.  
 Sometimes the gods above bestow  
 Their aid on mortals here below.  
 Upon this fair field of renown  
 We broke in halves the laurel crown,  
 And when we finished with the joust,  
 Fair Tate lay humbled in the dust.  
 Next year on Fame's eternal scroll,  
 Each hero's name we shall enroll.

## Mr. McDaniel's Trip to Atlanta

Junior College Head Enjoys  
Attending Body of Leading  
Educationalists

Mr. McDaniel, head of the Junior College, returned from a trip to Atlanta, Ga., where he attended the annual meeting of the Southern Educational Association. He was accompanied by Mr. [Name] and Mrs. [Name]. The trip was very successful and Mr. McDaniel was able to attend to all the business of the college during his absence. He was also able to see many of the leading educationalists in the South and was able to get a good idea of the current trends in education. He will be able to put this information to good use in the college when he returns.

## Staff Play Aids Growl Expenses

The staff of The Growl has been very busy in the past few weeks. They have been working on the paper and have been able to get it out on time. They have also been working on the expenses of the paper and have been able to keep them under control. The staff is very proud of what they have accomplished and they are sure that they will be able to do even better in the future.

## ONE OF OUR GREATEST FACTORS

## Christmas Cantata Will Fea- ture College Festivities

### Interesting Talk Made at Chapel

The Christmas Cantata will be a very interesting and festive event. It will feature many of the college's best talents and will be a great way to celebrate the holiday season. The cantata will be held in the chapel and will be a very special event for everyone. The staff of The Growl is very proud to be able to report on such a great event and they are sure that everyone will enjoy it.

### J. T. CASTLE, *Fullback*

His hard blocking and tackling won for him a reputation. He is an aggressive full, often meeting men before they reached the line of scrimmage and throwing them for losses. J. T. came to us from Montgomery County A. H. S.

### SIDNEY CREWS, *Halfback*

An experienced man who knew football. He always gained ground when he carried the ball and that toe of his was the one that punted us out of the tight places. "Sid" never gave up but always fought hard to the very last.

### ELWOOD BRANCH, *End*

A fast man and a hard hitter, who always gave the best that was in him. Elwood was quick to see the weaknesses of the other team and always took advantage. He is a good pass receiver and a hard tackler. The place he leaves will be hard to fill.

### CAPTAIN JOHN CRAIG, *Guard*

John is an able general and a friend to all the players. On account of an injured knee "Son John" was out of the play until the last of the season, but a strong determination and a stronger backbone made a letter for him. When John hit a man he went down and usually without a gain.

### CARLEE (HOSS) JOHNSON, *Center, Tackle*

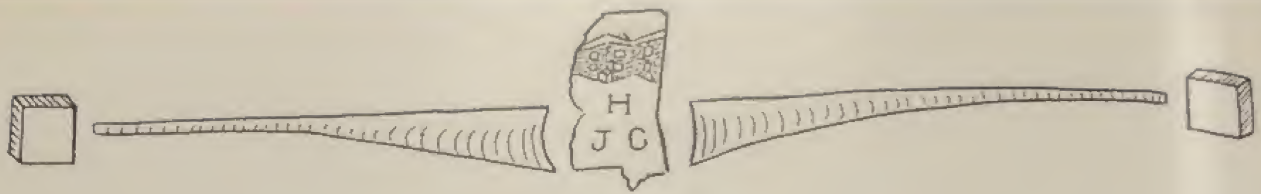

"Hoss" came to us from Tippah County A. H. S. and a better man would be hard to find. This man though a freshman, proved himself to be an old timer and an iron man in the line.

### TOXIE FORTINBERRY, *Tackle*

Whenever a tackle was made in or near his position, Toxie was the man who brought him down. The work he did as a veteran in putting the proper spirit into the team is inestimable and will long be remembered by his team mates.

#### LOUIS BRANCH, *End*

This was Louis' first year to don the togs but he showed the Branch spirit and made a name for himself. A man who always got through and when he did—well he got his man. "Luke" is a fine example of what a man can do when he tries.

#### JAMES (JIM) CALVIN, *Tackle*

A big, strong, and fast linesman. Jim was a constant obstacle in the path of the foe. He is also good on offense, opening up a hole and always getting his man. Jim's delight was going down on punts—and when he did, his man always came down too.

#### WILLIAM (BILL) MONTGOMERY, *Half*

"Bill" is a hard worker who never quits, the kind of a man who is bound to make good—because he never knows when to quit. A fast man and a good pass receiver. Bill has another year with the Bulldogs.

#### PERCY HILL (BILLIE) MONEY, *End*

Money—small, fast, and shifty, was always in the fight. He was a product from Carrollton Hi. A man always giving his best to the team and his fellow players.

#### NOVICE (BILL) ADAMS, *End*

Speed is this fellow's middle name, for he had it to burn. A good pass receiver and a hard worker who gave his most on all occasions. Bill is in his prime when going down on punts.

#### GUY WISE, *Quarterback*

Guy came to us from Clay County A. H. S. where he led his team for three years. A fast man and shifty, always gave his best to the team. Those sweeping end runs of his would do credit to any man. Guy will be back next season.

#### TOXIE McMASTER, *Tackle*

Toxie, a hard hitting tackle was another victim of unkind fate, for in scrimmage prior to the opening game, he wrenched a knee and this trick of misfortune kept him out of the game most of the season. Toxie was known as the man with the pepper.

### J. W. (BISCUIT) WALKER, *Halfback*

"Biscuit" did his stuff all season, plowing through the line on offense and tackling hard on defense. Open field running and line rushes are Walker's special and he has smashed through the line for nice gains. Beside playing halfback, Walker was shifted to quarterback where his able generalship brought us out of many pinches.

### ROBERT LOVE, *Halfback*

Love was one of those kind who never knew defeat and that is the stuff that it takes to play the game. A fast runner and a side stepper who always made a gain. He will be missed from the squad next year.

### HUGH BOWLIN, *Fullback*

Bowlin was another who suffered from unkind fate and got his knee wrenched in scrimmage prior to the opening game, but with a strong determination he was able to return to the squad where his bullet like passes and his hard tackling made a name for him.

### EDWARD (BIG BILL) TAYLOR, *Tackle*

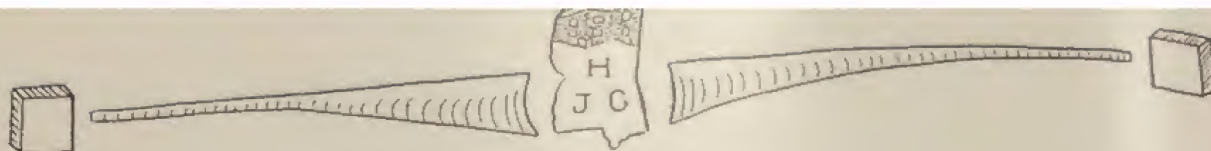

Bill was a big man and a fast one who knew football and how to play the game. Bill never failed to get his man and when it came to opening up a hole in the opposite wall—"there ain't no better." He ever kept the spirit in his teammates.

### SIDNEY CAMPBELL, *Halfback*

Sid was one of those fellows who could always be counted on to do his part. A powerful driver and a man with a good head. He was always in the thickest of the fight and always managed to get his man.

#### EDWARD (CHICK) HOSCH, *Halfback*

"Chick" came to us from Mississippi City where he was an able athlete. A hard driver, a side stepper, and a fast broken field runner, that was "Chick." He knew the game and played it well.

#### HARDY (PEPPER) NORTH, *Guard*

A big man and a hard hitter. When holes were necessary—well North made them. He always came over with his part and managed to help the other "fellow" out. North came to us from Yazoo County A. H. S.

#### WALTER (KID) ROBINSON, *Center*

Robinson came to us from Madison County A. H. S. While in the game he is one of the most serious and hardest workers on the team. An early shoulder injury proved to be a great blow to the team.

#### CHARLES BALLARD, *Tackle*

Ballard was a hard fighter who loved the game and always put all that he had into it. A piece of raw material but one who showed improvement with every practice.

#### BRITTE HUGHEY, *Guard*

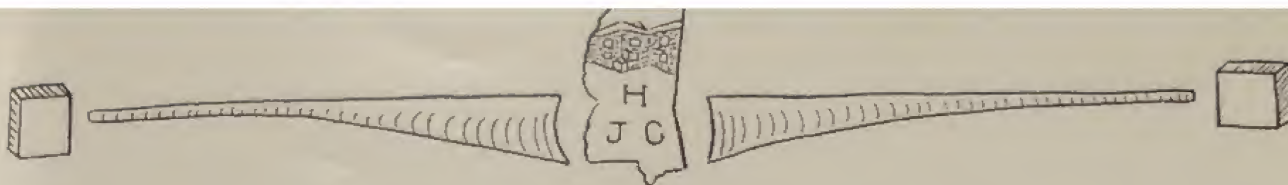

A man who knew his position and played it well. Whenever they needed a hole or a man gotten out of the way, well they just called on Britte and he did it.

#### RAYMON TOMLINSON, *Guard*

One of the first essentials to a good player was determination to fight. Raymon possessed quantities of this stuff and a lot of good playing was the result. He repulsed many a play aimed at his side and his actions on the field were of the highest caliber.

#### TRUMAN CARMICHAEL, *Center*

"George" was a good passer and a stone wall in the line, a good offensive and a better defensive player. Carmichael hails from Tippah County A. H. S.

### CHEER LEADERS

When those Holmes County Bulldogs fall in line,  
We're gonna each a every gain on time,  
And with the Bulldog spirit they will fight,  
And with the sportsman spirit they will do it right,  
We're gonna mop, mop, up with every thing,  
And the highest banner we will cling,  
We're gonna lay our foes beneath the sod,  
Hit 'em hard!

Holmes J. C.

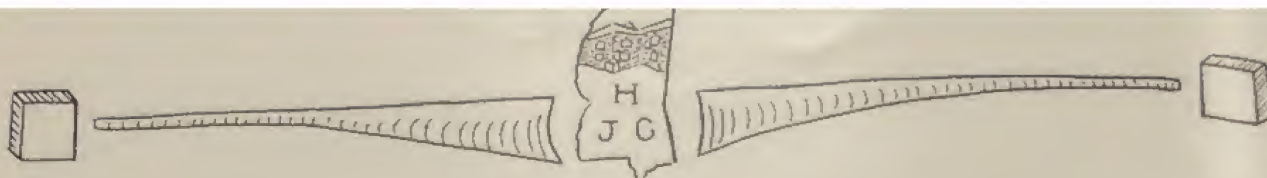

MASCOT

We love you, we like you  
We will stick to you tight.  
So get in there Bulldogs  
And fight, fight, fight!

Motorecycle, automobile,  
Merry-go-round,  
And ferris-wheel  
Loopy-do-loop!  
Shoot-de-shoot!  
Holmes! Holmes!  
Toot! Toot! Toot!

September 27—Southwestern Junior College at Summit.  
October 3—Clarke College at Goodman.  
October 10—Tate Junior College at Goodman.  
October 18—Jones County Junior College at Ellisville.

November 26—"Home Coming Day"—Sunflower Junior College at Goodman.

The Bulldogs were expected to make a strong bid for the state championship this past season. With good material; fine coaching; good support from the fans; it looked as though nothing short of a miracle could stop the Bulldogs. But a chain is no stronger than its weakest link. Just when it was thought the chain was as strong as it could possibly be, hard luck began. Two of the main backfield players were lost to the Bulldogs. Good new material filled the breach but they were comparatively light for college football and the heavy schedule of the Bulldogs. It seemed as though a Jinx of hard luck was following the Bulldogs. After they had gotten away to a good start, another calamity befell the team in injuries. A number of the players who were looked upon to share a great deal of the responsibility of the victories were hurt in the early part of the season.

Every cloudy sky has a silver lining and it looks as if the Bulldogs are all for theirs in the form of new players who have joined the team for next season. With the good coaching the team always gets and the new as well as the old material, 1931 should be a season long to be remembered by the team, fans and student body.

Coach Branch has made a name for himself both as Coach and advisor during his two years stay at Holmes Jr. College. He knows how to take both victory and defeat with a smile. Always a constant helper on and off the field. Coach was a man whom the boys loved and honored and always felt like asking his advice in everything. He made a place in their hearts that will remain with them in after life.

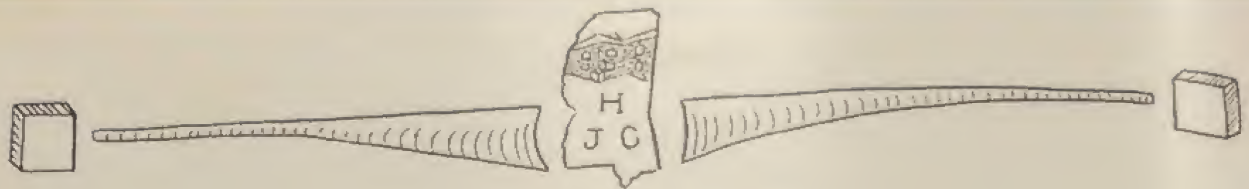

Manager Truitt was an important asset to the Bulldogs. Although unable to accompany the machine on the field, he was nevertheless an important cog, and did his best to eliminate all unnecessary friction. Truitt was a hard worker and well deserves his letter.

The Basket Ball team that fought under the red and white of '31, was one that would give credit to any school. They got off with a flying start by swamping Carthage, taking next in line Millsaps Frosh, then the fast Carrollton all stars; so on down a long line of Junior Colleges and Senior College teams throughout the state.

The Bulldogs never gave up and with very few exceptions came out victorious. The first defeat came when they went to Raymond, a fast team that we had already defeated but who proved themselves victorious on their home court; then on to Wesson only to lose two straights to a team that we had twice defeated. Ole Miss Frosh proved an easy goal for the "never-say-die" Bulldogs. After a short rest Sunflower Junior College went down four straights in fine fashion. The Jinx seemed to be on us because men got hurt and men got sick, but we defeated the fast Tate County quintette only to lose to them the following week. Then the Tournament ! ! ! ? The season closed; Bulldogs 18 games to their credit, and five lost.

GOODMAN, MISSISSIPPI

WE BELIEVE that the future development and continued prosperity of our commonwealth depends largely on the carrying into effect the forward educational movement and programme as outlined by our State Department of Education. The development of Standard Junior Colleges at strategic points is one of the most important items in this programme. Our Holmes County Junior College not only qualifying as to location but is making rapid strides in its programme of development, as suggested by the Junior College Accrediting Commission, and is taking its rightful place as one of the few Standard Junior Colleges of Mississippi. The people of Holmes County and this section of Mississippi should rally to the support of our Junior College and not be satisfied until we make of it the very best.

WE ARE FOR OUR SCHOOL AND OFFER  
TO IT OUR BEST SERVICE AND SUPPORT
